**TIPS FOR USING A.L.F**

The term ALF refers to Accessible Low Floor.

ALF Service is provided on weekdays, Saturdays and Sunday/Holiday trips .

The ALF buses are designed to serve riders with "no steps entry/exit". Curb level front and centre doors will improve access for existing transit customers.

Persons who have trouble climbing stairs or users of wheelchairs, scooters, wheeled /unwheeled walkers and other mobility devices will benefit.

**What does an ALF bus look like?**

The ALF bus looks just like any other HSR bus except for the International Symbol for Accessibility which appears on the front and side of the bus.

**What happens if the ALF bus is full or the two wheelchair spaces are already taken?**

The driver will be unable to pick up additional customers in wheelchairs. Please wait for the next ALF bus on the route.

**Does the ALF bus lower automatically and does the ramp work the same way?**

The bus driver will lower the bus upon request and extend the ramp for passengers using wheelchairs, walkers, scooters, and other mobility devices.

**If you need to transfer...**

between HSR buses, please obtain a free transfer from the HSR operator when you board the bus and pay your fare. Give this transfer to the operator of the next connecting bus. If you are transferring to/from an HSR bus to/from a Burlington Transit bus, just hand your transfer to the second operator.

**Request Stop Program**

**Request Stop** allows you to get off the bus at locations other than regular bus stops after 8:00 pm every evening. Simply ask the operator one stop ahead of where you want to get off. If you are travelling alone in the evening, it's a good idea to call ahead and arrange to have someone meet you at the bus stop area.
